Why School Breakfast?

Mornings can be really *crazy!* School breakfast is an option when family schedules are rushed or children don't feel like eating in the morning.

• Studies show that breakfast helps students learn. The few minutes it takes to add breakfast to the school day are offset by students' active participation once their brains are fueled.

- **\$** Breakfast at school is affordable, too. A full breakfast costs less than convenience store items.
- \$ If you qualify for the free or reduced-price school lunch program, you also qualify for the breakfast program, with no additional paperwork.
- \$ Even at full price, breakfast often costs less than a dollar. You won't find a balanced breakfast at such a low cost anywhere else!

• Breakfast also supplies vitamins and nutrients for a strong and healthy body.

What do other parents say about School Breakfast?
